

## Hash House Harriers 50<sup>th</sup> Anniversary Historic Pub run – Hobart; 29<sup>th</sup> Sept. 2017

Part of the Hobart Hash Celebrations will be an Historic Pub run that is sure to quench the thirst, and slow down the fastest Hasher. Get up and close with the Hobart locals in their typical haunts and share a beer or two as you reminisce the 'good 'ol days' when 'men were men'.

The run (and walk for those so inclined) will visit many of the historic hotels of Hobart where, in addition to beer, a tale will be told on the history of the premise and local environs.

See a wide range of construction styles, commensurate with their age and designed to encourage patronage.

Cascade, the beer of choice of Hobart drinkers, will be flowing to keep Hashers lubricated during their run around town.

Visit old yachty pubs, the historic areas of Battery Point and Salamanca, the oldest continuously licenced pub in Australia, pubs of ill-repute, (at least back in the 'ol days).

Finish up in the city with friends & Hashers as you prepare for partying into the night.

**An event not to be missed**
